- Top couple set to partner and cast off two places. Man leads woman up to first corner.
- Set to first corner, turn right hands (policeman's grip, i.e. hands up and elbows down), don't let go, take partner's left hand and set in diagonal line across. Turn to second corner and repeat last set of instructions.
- Dancing couple return to own sides, join hands with people on left and right, circle eight slip steps left, eight to the right.
- Repeat with third and fourth couples. Slip to bottom of set when second couple take over the dance.
